

**Provisional arrangements for Teaching Placement as part of the
Graduate Diploma in Adult and Further Education**

Teaching 100 hours on QQI (or equivalent) accredited programmes is a requirement during the programme, as per Teaching Council regulations. Please indicate below the plans you have made for this. The teaching practice may be configured in different ways. In the full-time option of the programme (over two semesters), students may structure their placement so that at least 30 hours are undertaken in each semester. In the part-time option, students may spread their placement hours over three semesters, with at least 30 hours takes place in the first Autumn semester. Please include with your application, also copying cpd@mic.ul.ie
